

BOXTED PARISH COUNCIL - WEBSITE POLICY

Website: www.boxtedparishcouncil.org.uk

Adopted 10/11/2021 21/187

The person with overall responsibility for this policy is the Proper Officer (Clerk) of the Council.

The Clerk must ensure that records for which they are responsible are accurate and are maintained on the website with due regard to the Parish Council's records management policy and that they take account of the council's Freedom of Information Publication Scheme.

The Clerk will give guidance for and will promote compliance with this policy.

There are currently no statutory rules stating that a Parish or Town Council with annual income above £25,000 per annum or below £250,000 per annum must have a website, nor are there any rules or guidelines as to what should be included on a Parish or Town Council website outside of those parameters. With that in mind, in the interests of transparency this Council have agreed to follow the Transparency Code for smaller authorities (i.e those with income under £25,000) in respect of documents that will be published on its website. (See Annex A) and will comply with the dates and timescales included therein.

Additionally, all documents listed on our Freedom of Information policy as 'freely available from our website' will also be published and will comply with the dates and timescales detailed on that policy

Older records may be obtained from Bradfield Parish Council for a small charge as detailed on our Freedom of Information Policy, on application to the Clerk to the Council providing those records are still held on file in any format in accordance with the Retention of Records Policy.

The Proper Officer of the Council is responsible for updating the website, at least once per month within set down timescales, and may include additional council records at his/her discretion if they are considered to be in the public interest.
